

*"...will introduce students to agriculture"*

- **All 3rd and 4th grade students.** Teachers and students will learn how water, plants, bees, fiber, food and dairy affect our everyday lives. From the food we eat to the clothes we wear, agriculture affects us ALL.
- **AG DAY LA** students will learn about where their food and fiber comes from as well as the benefits of healthy eating habits and how important agriculture is to the economy of California.

**Please sign up for this event!  
Pre-registration is mandatory;  
first come, first serve basis.**

Free Registration and additional information at [www.agdayla.com](http://www.agdayla.com)
