

# SCHOOLS' AGRICULTURE & NUTRITION FAIR

**The 48th District Agricultural Association  
is a year-round resource center that promotes teaching  
agriculture and nutrition to pre-K 12<sup>th</sup> grade students.**

The 48<sup>th</sup> DAA is host to an annual fair, located in Fairplex in Pomona, CA, where teachers, students, 4-H, FFA, and home schools are invited to participate.

Entries are agriculture-related projects.

*Including: School gardens, container and horticultural gardens, classroom murals, AG science projects, scarecrows, seed/pasta art, bird houses/feeders, beneficial insects/silkworms, bottle biology, and more!*
